Medicaid Statewide Professional Development Resources

The DESE recently released the MITS Resource and Virtual Training page on the MITS website. This page provides access to pre-recorded and past professional development sessions related to school-based Medicaid operations, as well as documentation samples, tools, and policy guidance resources.

Medicaid Billing Resources

The MITS Team is currently working to develop the on-line School-Based Medicaid Billing Manual. Once complete, this manual will serve as official DESE School-Based Medicaid Billing Manual for all education institutions operating under the authority of DESE. The manual is intended to serve as a comprehensive instruction guide for school-based direct services billing.

MITS Related Commissioner's Memos

None
